

## Connecting to OCC-Guest Wireless Network with an iPhone

**\*\*Please note\*\*** Instructions below are only a guide. Different devices and/or operating systems may result with slight variations.

1. Go to **Settings**

2. Select **Wi-Fi** to bring up a list of available networks  
Select **OCC-Guest** from the list of networks and **tap** on it to connect

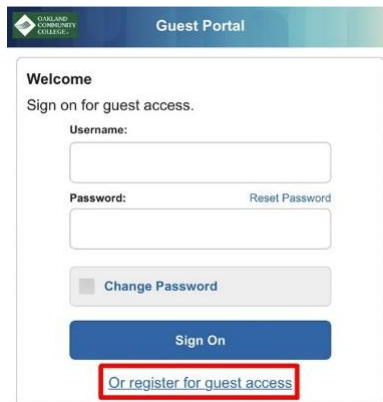

3. Open a browser and type **1.1.1.1** in the search bar  
Tap **Go**

4. Select **Or Register for Guest Access** at the bottom of the page

# OAKLAND COMMUNITY COLLEGE®

## *IT Support Center*

5. On the **Guest Portal** page complete the **Registration Form**  
Fields marked with an asterisk (\*) are required

The screenshot shows the 'Guest Portal' header with the Oakland Community College logo. Below it is a 'Registration' section with the instruction 'Please complete this registration form:'. The form contains several fields: 'First name\*', 'Last name\*', 'Email address\*', 'Mobile number\*' (with a country code dropdown set to '+1'), 'SMS provider\*' (with a dropdown menu showing 'ATT'), 'Person being visited(email)', and 'Reason for visit'. At the bottom, there is a link 'Please read the terms and conditions' and a checkbox labeled 'I agree to the terms and conditions'.

6. Tap the box to **Agree to the Terms and Conditions**  
Tap **Register**

This screenshot is identical to the one above, but with two red boxes highlighting the 'I agree to the terms and conditions' checkbox (which is now checked) and the 'Register' button.

**Sign On**

[Or register for guest access](#)

9. Tap **Accept**

**Guest Portal**

**Acceptable Use Policy**  
Please read the Acceptable Use Policy

Please accept the policy: You are responsible for maintaining the confidentiality of the password and all activities that occur under your username and password. Cisco Systems offers the Service for activities such as the active use of e-mail, instant messaging, browsing the World Wide Web and accessing corporate intranets. High volume data transfers, especially sustained high volume data transfers, are not permitted. Hosting a web server or any other server by use of our Service is prohibited. Trying to access someone else's account, sending unsolicited bulk e-mail, collection of other people's personal data without their knowledge and interference with other network users are all prohibited. Cisco Systems reserves the right to suspend the Service if Cisco Systems reasonably believes that your use of the Service is unreasonably excessive.

**Accept**

**Decline**

10. At the device registration page, tap **No, skip registration.** This is for additional devices, only.

11. At the welcome message, tap **Continue**

You are now connected to the OCC-Guest wireless network
